Commercial General Liability

The Insurance Program prepared for **Ontario Underwater Council & Member Clubs** provides **Commercial General Liability Coverage** for “**Registered Members**” participating in **Sanctioned and Supervised Underwater Diving Activities** including **Teaching by Member Clubs**, as listed on file with insurer.

“**Members**” shall mean a group or person who has fully paid all dues and fees and is in good standing with all requirements of **Ontario Underwater Council**.

The **Commercial General Liability Policy** will pay those sums that the insured becomes legally obligated to pay as compensatory damages because of bodily injury to or damage to property of others, such as spectators, passers-by, property owners and others resulting from your operations or actions. Most General Liability policies contain an exclusion, which excludes suits resulting from participants who are injured while participating in a sporting activity. The coverage provided, also includes Injury to Participants that result from your association, member clubs, or individual members negligence.

The Policy even includes at no additional cost, **Additional Insured’s**, such as Municipalities, Government Departments, Sponsors and Owners of the Facilities in whose name you have agreed to provide insurance for their vicarious liability arising out of your operations.

The Insurance Program also provides **Errors & Omissions/Directors & Officers (Wrongful Acts) Liability Coverage**. This coverage protects the directors & officers, executives, employees and volunteers for consequences of their actions against suits alleging “wrongful acts”. The coverage responds to “civil proceedings” (statement of claim) and does not cover Human Rights or other Tribunal (non-civil proceeding issues).

These Requirements must be met in order for OUC Member Clubs and Club Members to be covered by this policy.
